

Preface

International Conference on Advances in Natural and Applied Sciences (ICANAS 2017) was held in Antalya, Turkey, from April 18 to April 21, 2017. It was the second edition of such conferences, and the first conference under the same name was organized in Antalya, Turkey, from April 21 to April 23, 2016.

The chairman of the Organizing Committee of ICANAS 2017 was Professor Ahmet Ocak Akdemir, and the Scientific Committee consisted of mathematicians from 25 countries. 340 participants from 16 countries attended the conference and 470 papers have been presented, including 8 plenary lectures and 110 presentations in Poster Session.

The conference was devoted to several natural sciences, including all fields of mathematics and variety of its applications.

This issue of Filomat contains 24 papers presented at the conference (Section Mathematics and Statistics) and selected by the usual editorial procedure of the journal. We would like to express our gratitude to the authors of articles published in this issue and to the referees for their kind assistance and help in evaluation of contributions. Special thanks to Filomat for the support.
