1. Retraction note

We retract the article

Mahmut Furkan Meniz, Ramazan Türkmen, Sever S. Dragomir, *On some results related to positive semidefinite matrices by means of Cauchy-Schwarz inequality*, Filomat 40:2 (2026), 763–772

because of the significant overlaps with the Irem Kucukoglu master's thesis "On majorization and matrix inequalities" defended in 2014.
